Ontario Secondary School Diploma or equivalent with six Grade 12 U/M subjects or equivalent including English. See www.uoft.me/utmadm for details.

The admission average is calculated with English (ENG4U) plus the next best five courses. The University of Toronto reserves the right to give preference to students whose marks are the result of a single attempt at each course.

Note: Refer to the Canadian Secondary School Qualifications and Course Equivalents chart on the next page to see the course equivalents from your province or territory.

Program of Admissions

Students initially select an intended area of study during the Program of Admission. Students may choose formal programs of study (Specialists, Majors and Minors), and/or combines programs (Joint programs, Program Combinations) until after the completion of first year. Students may change program of studies/combined program at any time in consultation with an academic advisor.

Panel of Advisors is available to provide academic guidance for students making initial or subsequent program changes. Students considering a change in program should consult their college panel of advisors to ensure the program change is feasible. Students may change program of studies/combined program at any time in consultation with an academic advisor.
